

In Respiratory Tract Infection

# Ucimox™-CV 625

Amoxicillin 500 mg + Potassium Clavulanate 125 mg Tablets

**KILLS WITH A DIFFERENCE**

**CURES LIKE NO OTHER**

**American Academy of Family  
Physicians Recommends,**

Amoxicillin as the preferred  
treatment in patients with ABRS\*

**CARES LIKE NO OTHER**

#### MADE DIFFERENTLY

- Using enzymatic technology
- Manufactured at a WHO-GMP, GLP, ISO-approved plant
- Using low-moisture Amoxicillin
- Vanilla flavour

#### HANDLED DIFFERENTLY

- Use of a fluidized bed dryer
- By cold chain procurement of Potassium Clavulanate
- With the addition of Silicon Dioxide

#### PACKED DIFFERENTLY

- By flushing nitrogen in packing
- Alu-Alu strip packing
- 7-layered induction sealing cap
- Coloured measuring cap

# Xysedol-SP<sup>TM</sup>

Aceclofenac 100 mg,  
Serratiopeptidase (Enteric Coated) 15 mg &  
Paracetamol 325 mg Tablets

**In Managing Pain, Inflammation &  
Swell-associated with  
Fracture, Trauma & Injury**

## Aceclofenac

- Reduces severity of pain from very severe to no pain, improves functional capacity and mobility.

## Paracetamol

- Provides additional analgesia, when added to NSAIDs

# Xysedol-SP<sup>TM</sup>

Aceclofenac 100 mg,  
Serratiopeptidase (Enteric Coated) 15 mg &  
Paracetamol 325 mg Tablets

## Serratiopeptidase

- Reduces capillary permeability induced by Histamine, Bradykinin and Serotonin, supporting the wound healing process<sup>3</sup>
- Impairs invasion capability of S.oureus in Osteoblastic cells & lowers the secretion of MCP1<sup>4</sup>
- Effective against mature b/ofilm, works like a Biological Nanodrill, enhancing the effectiveness of antibiotics<sup>3</sup>

# Xysedol-Spas<sup>TM</sup>

Aceclofenac 100 mg & Drotaverine 80 mg Tablets

## Aceclofenac

- Offers superior analgesic and anti-inflammatory effect compared to other NSAIDs<sup>1</sup>.
- Shows fewer GI and lower cardiac side effects compared to other NSAIDs<sup>2</sup>

## Drotaverine

- Devoid of anticholinergic side effects.
- Relaxes smooth muscle and reduces uterine contraction by inhibiting Phosphodiesterase IV enzyme<sup>3</sup>

*In Intestinal Colic,  
Biliary Colic & Ureteric Colic*

# Xysedol-Spas<sup>TM</sup>

Aceclofenac 100 mg & Drotaverine 80 mg Tablets

SAFE

POTENT

ANTI

SPASMODIC

## Combination of Aceclofenac + Drotaverine

- Provides comprehensive relief from pain associated with spasm<sup>5</sup>
- BID dosing offers better patient compliance

In Pain, Fever & Inflammation associated with Pharyngitis, Tonsillitis & Sinusitis

# Xysedol-P<sup>TM</sup>

Aceclofenac 100 mg & Paracetamol 325 mg Tablets

NICE guideline recommends the use of Paracetamol + NSAID for Acute Sore Throat Symptoms.

## Aceclofenac

Exhibits prolonged effect & is associated with lower incidences of side effects.

## Paracetamol

Offers rapid onset of action within 11-17 minutes

## Calcium Deficiency In Pregnancy & Lactation

Keep the Life Active with

# CANXICAL

Calcium Citrate Malate 1250 mg + Vit D, 1000 IU + Mg 100 mg + Zinc 7.5mg Tablet

## Calcium Citrate Malate

- Bioavailability as high as 42%
- Does not increase the risk of kidney stones
- Can be taken on empty stomach
- Improves maternal & fetal bone health
- Positive effect on lumber spine & BMC
- Decreases preeclampsia, lowers the preterm birth & LBW

In Osteopenia, Osteoporosis & Post Menopausal Osteoporosis

# CANXICAL

Calcium Citrate Malate 1250 mg + Vit D, 1000 IU + Mg 100 mg + Zinc 7.5mg Tablet

Block the *Outward* Flow of Acid

# PantroCheck-DSR-40<sup>TM</sup>

Pantoprazole 40mg + Domperidone 30mg

## Pantoprazole

- Possesses longer duration of acid inhibition
- Prevents mucosal damage actively

## Domperidone

- Increases lower esophageal tone & esophageal clearance
- Eliminates nausea & vomiting associated with GERD

**GERD | ACID REFLUX | DYSPEPSIA | HEART BURN  
PEPTIC ULCER | SEVERE ACIDITY |  
REFLUX OESOPHAGITIS**

*Block the Outward Flow of Acid*

# PantroCheck<sup>TM</sup>-40

Pantoprazole 40mg

## Pantoprazole

- Possesses longer duration of acid inhibition
- Prevents mucosal damage actively

**GESTRO RESISTANT**

In Dental Caries, Tooth Cavity, Tooth Filling & Extraction

# CAVICEF<sup>TM</sup>-200

Cefixime 200mg

Tab.

Findings of the Study Demonstrates that CAVICEF 200 Tabs.  
has shown Excellent Antibacterial Activity.

**EPSILOMETER TEST**  
confirms efficacy of  
**CAVICEF-200**

In Upper Respiratory Tract Infections

# Azylo-500

Azithromycin 250/500mg Tab

## The "Z" Category Anti-infective

- ◆ Azithromycin is a better first line drug for the treatment of URTIs'
- ◆ Decreases Mucus Hypersecretion'
- ◆ Provides an effective, simplified treatment for upper respiratory tract infections and may improve patient's compliance compared with standard therapies'

**Dosage : 500mg OD for 5 Days**

To Treat Upper Respiratory Tract Infections in Pediatric Patients

# AZYLO<sup>TM</sup> Ready Mix

Azithromycin 100/200 mg in each 5 ml suspension

## The "Z" Category Anti-infective

Azithromycin is a reliable antibiotic treatment in respiratory tract infections, giving fast resolution of symptoms

Deaths due to Acute Respiratory Infection in India:\*

### Dosage :

2 years & older : 12 mg/kg orally once daily for 5 days; not to be exceed 500 mg/day

14.3% in Infants'

15.9% in Children aged 1-5 years'

# Canxical<sup>TM</sup>-60K

Cholecalciferol 60000 IU/2000 IU Softgel Cap. **CAP.**

Desired Results : Provides desired increase in serum Vic. D level

## Target Segment

CP, Ortho, Gynec, C/D/E, GP

## Indication

Vitamin D Deficiency, Boosting immurity, Osteoporosis,  
Back 8i Bone pain

## Dosage

60k: Once/week for 8 week; (Deficiency)

In acute flare-ups  
associated with OA&RA

# Detocor™-6

Deflazacort 6 mg Tablets

*A Safe & Effective Steroid of choice*

Effective in the treatment of Polymyalgia rheumatica

Significant improvement in the signs and symptoms

effective as prednisolone and methylprednisolone

In Allergic rhinitis  
associated with Asthma

# Detocor<sup>TM</sup>-6

Deflazacort 6 mg per 5 ml suspension

*A Safe & Effective Steroid of choice*

- Controls bronchial inflammation and enhances bronchial activity<sup>1</sup>
- Provides significant improvement in the FEV\* & PEF\*<sup>1</sup>
- Less weight gain in long term use<sup>2</sup>

Gold Standard Formulation  
alongwith Vitamin B12

# ERTINA<sup>TM</sup>-XT

Ferrous Ascorbate 100mg+Folic Acid 1.5mg + Zinc 22.5mg + B12 1.5mg TABLET

## Ferrous Ascorbate

- World's most widely recognized reference Iron
- Vitamin C in ferrous ascorbate enhances the intestinal uptake of iron ascorbate
- Allows continued absorption of iron from the intestinal lumen and a greater overall iron uptake

## Folic Acid

- Required for healthy red blood cells and to prevent anemia
- Important during periods of rapid cell division and growth, such as in infancy and pregnancy

## Zinc Sulphate

- Improves motor development in very low-birth-weight infants
- For better neuropsychologic functioning immune system

## Vitamin B12

- Important for maintaining the health of nervous system.
